

## **peerVue Teaching File Solutions Fortifies Team Adding Sandeep Bhat & Richard Smillie**

**Burlington, VT** – peerVue, LLC announces the appointment of Sandeep Bhat and Richard Smillie. Mr. Bhat will focus on sales of peerVue’s flagship digital teaching file product line. Mr. Smillie will assist peerVue in developing key strategic relationships and will support sales. The new team members continue the steady development of the peerVue organization and add over 35 years of collective experience to the peerVue organization.

The powerful combination of Mr. Bhat’s unique portfolio of skills overseeing advanced imaging clinical trials and Mr. Smillie’s extensive industry knowledge and network of relationships, empowers peerVue’s execution of its strategic roadmap”, said Kyle Lawton, CEO & Director of Business Development, “peerVue is poised to secure and develop many new customer relationships and deliver exciting niche technology solutions to the healthcare marketplace”

**About peerVue, LLC** - In addition to digital teaching file solutions, peerVue provides niche software & service solutions to integrate, streamline, and distribute clinical information and images across the healthcare enterprise. Offices in Vermont and New Hampshire 877.572.9505 - [www.peervue.com](http://www.peervue.com)
